

# Jamboree 2017

## EPSRC Centre for Doctoral Training in the Mathematics of Planet Earth

We are pleased to announce that Jamboree 2017 will be held on 20– 22 March at Imperial College London.

This is an annual residential Mathematics of Planet Earth CDT convention, in which MPE CDT students will have an opportunity to showcase their research and its impact.

This event will provide increased professional opportunities and access to a large network of industry & affiliate partners.
